

Alumni Meet

May 07, 2018

On 26th of April, Faculty of Economics and Social Sciences organized First Alumni Meet.

It was a great opportunity to refresh memories, meet professors and colleagues, share experiences, ideas and discuss ways how to strengthen connections with Alumni.

The attendees were addressed by vice dean, Assist. Prof. Dr. Mersid Poturak who welcomed them in front of the Faculty. The professor emphasized that this is the first in a row of Alumni Meets, whose aim is to keep strong relations with Alumni who are considered very important part of Burch family, even though they have completed their studies.

The pleasant and friendly atmosphere was accompanied by the professors' playing guitar what was true enjoyment for the audience.
